This writ petition is filed challenging the order in I.A. No. 1947/04. The said application was not to include the case in the list. The court did not find any ground to entertain and therefore dismissed it. I am informed that Section 138 proceedings are already over and there is nothing standing in the way of the court in taking and disposing of the matter. Therefore, the writ petition is dismissed and the trial court is directed to include the case in the list if it is ready for trial and proceed in accordance with law.
